## Agreements & Understandings

Please Initial:

\_\_\_\_\_ I understand that certification from Jumping Frog Teaching Academy does not guarantee employment at Jumping Frog

\_\_\_\_\_ I understand that in order to be fully certified in the classical method, I must successfully test out on each apparatus. Attending the seminars does not automatically mean I am certified.

\_\_\_\_\_ I understand that my fees must be paid in full prior to scheduling my test

\_\_\_\_\_ I understand that in order to maintain a current and valid certification, a total of 15 CECs must be taken every 2 years. CECs are offered through Jumping Frog, however any courses taken through other studios or associations will be considered if it can be shown that it directly enhances and furthers your knowledge as a Classical Pilates Teacher

## Test-Outs

Tests are given on one specific day per month. You must sign up for the day in advance and must indicate which apparatus you will be testing on. A body can be provided for you if you are unable to bring someone, however a fellow apprentice or certified teacher is not permitted to be a test-out body.

There is a written component to each test.

Following your written and practical tests, you will be emailed with the results in addition to feedback on your exams within 1 week.

If you are asked to take your test a second time, an additional fee will be incurred.

Tuition Payments:

Please Initial:

\_\_\_\_\_ All fees are due two weeks prior to seminars. You will be automatically charged for the seminars you select unless special arrangements are made. There is a 10% discount if all seminars are paid for at one time. Payments are non-refundable, however you can enroll for another seminar at a later date subject to availability.
